

Saint Croix Sailing Club

Rear Commodore Duties

BYLAW DESCRIPTION:

It shall be the duty of the Rear Commodore to assist and advise the officers and to maintain continuity from one year to the next. In the absence or disability of the Commodore or the Vice Commodore, the Rear Commodore shall act in their place and stead. In addition, each officer shall have the duties otherwise prescribed by these Bylaws, and such other responsibility and authority as the Board of Directors may delegate.

RESPONSIBILITIES:

Support and mentor the Vice Commodore and Commodore, as well as all other members of the Board of Directors. Your experience as having been a previous Commodore should be used to teach others.

TERM OF SERVICE:

The Commodore serves in a 3-year succession: Vice Commodore, then Commodore, then Rear Commodore.

QUALIFICATIONS:

Ideally a few years as a participant with our club or similar organization. A desire to lead, or be highly motivated to LEARN how to lead. You are encouraged to attend several board meetings prior applying for this position.

This is the only position on the SCSC Board of Directors that is not voted upon - it is automatically filled by the previous Commodore.

Note: This position's primary responsibilities are to ensure that all duties are completed. The applicant doesn't necessarily have to perform all duties themselves, but needs to see that they are done to their standards, and the standards the club requires.

If Interested in applying for this position, contact the Commodore on the Contact Us page on the website: <https://stcroixsailing.com/contact-us/>
