

Saint Croix Sailing Club

2023 Yacht of the Year SAILING INSTRUCTIONS Le Mans/Bahamian Start

The following is an addendum to the Sailing Instructions. It is only valid if invoked at a specific event by the Organizing Committee.

START SEQUENCE

This replaces SI Appendix A, and modifies RRS 26

A.1 Le Mans/Bahamian/Anchored Start

At the designated start time:

All competitors shall be anchored near the start line.

Sails may be rigged, but down or furled

Crew must be in the cockpit (or near the stern)

Race Committee will signal a start using one long horn blast (race timing begins at this point)

Sailors raise sails, weigh anchor, and cross start line to sail the course.
